3 There is however a proposal to grant allowances to the Officers in Charge of the 3 important Medl institutions in the State Viz Victoria, Minto Ophthalmic & Krishnarajendra Hospitals (Vide C/Paper Index).

(2) "Free quarters"

4 Mr Acharya has been occupying the Govt quarters from 6th March 1918. The P.W.D has claimed ~~House~~ Rent from this date at Rs 41-3-2/pm. The claim upto the end of December 1919 is Rs 899-11-4.

5 Mr Acharya prays for free quarters from the 6th March 1918. Free quarters have already been declined to this officer. The Senior Surgeon says that this does not call for a Reconsideration.

6 As regards the arrears of Rent, the Senior Surgeon submits the case for the orders of Govt in ~~Your~~ View of the fact that Mr Acharya occupied the quarters with the Sanction of Govt & the question of Rent was then kept open.

7 The allowance question is in abeyance.

8 So far as the house rent is concerned I do not think any case is made out for granting a rent free house or to waive recovery of arrears of rent.

9 The rent charged (Rs 41 odd) for the house is extremely low & if the bungalow is rented out at present market rate, it would easily fetch a rent of 100 Rs p.m. or so.

10 Mr Achaya was allowed to occupy the house only on the understanding that he should pay rent for it, & he cannot disclaim liability simply because of delay in the P.W.D. presenting their bill. It may be hard to ask him to pay nearly 500 Rs in a lump sum & perhaps this arrears might be recovered at the rate of 50 Rs p.m. in addition to the current rent.

11 In the case in Remand received yesterday with accompanying question in question read from. In his details, the Acharya who himself in his press applied for Sanad as a Concession being Shiva Bhatt. He was allowed occupy his house, but he was not told at his time that he would have had to pay his rent (vide Endorsement dated 16th April 19). The question was reserved for further consideration and it was only on 5th March 19 that orders were issued that he had pay rent for his house. Under these circumstances I think, his recent application for Sanad Inspam may be accepted & the Acharya may be exempted payment of rent up to date. His request for a Special allowance may be rejected.

From

Rajakarya Pravina

Rao Bahadur T. V. Arumugum Mudaliar, Esq., M. B., C. M.,

Senior Surgeon with the Government of

H. H. the Maharaja of Mysore, Bangalore.

To

The Chief Secretary to the Government of

H. H. the Maharaja of Mysore,

Bangalore.

Sir,

Referring to Government Order No.G.25574-Med.39-18-6, dated 12th May 1919, stating that Mr.B.G.Srinivasacharya's claim for free quarters was inadmissible, I have the honor to state that it is represented by Mr. Acharya that the Executive Engineer of the Bangalore Division, with his letter No.317, dated 16th January 1920, sent him a bill for Rs.899-11-4, being the arrears of house rent claimed from 6th March 1918, the date on which the Government building was occupied by Mr. Acharya, up to the 31st of December 1919, at Rs.41-3-2 per mensem, for early payment, with a request that the future rent may be short-drawn from the future pay bills of the officer.

Mr. Acharya says that as regards the arrears of Rs.899-11-4 to be paid by him, his emoluments are too poor. He further says that Ophthalmic Surgeons all over India are paid between 1,200 and 1,600 rupees per mensem in addition to which they are said to have a big private practice. He therefore prays for the grant of an allowance of Rs.250/- per mensem and the use of the quarters free of rent from the date of occupation in March 1918. Officers in charge of Government Ophthalmic Hospitals in British India generally belong to the Indian Medical Service and draw their pay as members of that service and not as Ophthalmic Surgeons.

The

The question of the grant of local allowance and free quarters to Mr. Acharya has already been finally disposed of by Government in your office letter No.G.25574-Med.39-18-6, dated 12th May 1919 and the order has been communicated to the officer in this office C.Dis.No.198, dated 15th May 1919, and does not call for a reconsideration. But the question of recovery of the arrears of rent claimed in January 1920 for a period of one year and ten months, or of waiving the claim, is submitted to Goverment for orders in view of the fact that the occupation of the building was permitted in your office letter No.G.5839-Med.77-17-6, dated 16th April 1918, the question of rent being left open, and the levy of rent thereon was finally ordered almost a year later, in G.O.No.19487-9-Med.77-17-10, dated 5th March 1919; and actual claim in accordance therewith was made by the Executive Engineer only in January 1920.

I have the honor to be,

Sir,

Your most obedient servant,

Senior Surgeon.
